15.Multidisciplinary / interdisciplinary

Our college has programmes on Commerce, English and Economics for both undergraduate and graduate students. Also we have undergraduate programme on History. All these programs have interrelated subjects. All the students, irrespective of the

programmed they have joined in have to learn courses on English
and Additional languages for two years. Besides students of
Economics and Commerce have interrelated courses like Statistics,
Reserch etc.

16.Academic bank of credits (ABC):

College has not done any activity on Academic Bank of Credits.

17.Skill development:

 College has understood the importance of skill development in
OBE. Our appraoch has helped students acquire not only
theoretical knowledge but also develop practical skills that are
essential in today's job market. Our hands-on projects for final
year students, collaborative learning, and real world
applications, competencies of students were aligned with industry
demands. This approach encourages critical thinking, problem-
solving, and effective communication, preparing graduates to
navigate diverse professional environments. Moreover, skill
development fosters adaptability, enabling students to continue
learning and evolving even after they complete their education,
thus enhancing their career prospects in a rapidly changing
world.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

College has courses on Malayalam and Hindi. These are not
specialised courses on Indian Language or culture, rather they
contain topics related to literature from Hindi language and
Malayalam Language. Students have to study about works of
prominent authors like Premchand, Anand, etc.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

 College has focused on results of learning rather than on
traditional teaching methods. This was done by allowing students
to acquire skills and knowledge relevant to their fields. Since
college has both boys and girls, college has fostered
inclusivity, allowing diverse perespectives to enrich the learnng
experience. Teachers aligned curicula with desired outcomes,
utlilising assessments to measure student progress effectively.
Academic environment at the college enabled students with
competencies needed to excel in their careers, therby enhancing
employability and lifelong learning.

20.Distance education/online education:

College does not have the power to conduct Distance education. Teachers conduct online classes for students on days when there are no regular classes. Ours is an affiliated institution. Here only the University can conduct online/distance mode of education.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

For conducting internal examinaton, there is an internal examinaton committee consisting of teachers. They collect question papers of each course from respective class tutor and print them. Teachers are given invigilation duty for internal examinations. Two internal examinations are conducted in every semester. Once the examinations are over, teachers are directed to give mark sheets. Before the end of semester, each course teacher prepare internal mark sheet as per Univeristy guidelines and published. Grievances of students are, most of the time settled by the course teacher. Seldom one finds the grievances being submitted for the college level grievances redressal committee.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

In our college, the attainment of program and course outcomes is systematically evaluated to ensure academic effectiveness.

The usual pattern is that he university will conduct external examinations while the college does internal examinations, both of which play a crucial role in determining a student's success. The score obtained by a student across these examinations reflects the student's understanding and mastery of the curriculum. Question papers are meticulously crafted based on program and course outcomes designed by the University thusensuring alignment with the learning objectives.All of these help the college and university to evaluate a student.
